*Notice is hereby given that the Windham Zoning Board of Adjustment will hold a public hearing at the Community Development Department. The following applications have been submitted for review.*

**Case #18-2023      Parcel 22-L-81 & 22-L-83**

**Applicant – Benchmark LLC**

**Owner – Thomas J Jr & Lynn Murray**

**Location – 27-29 W. Shore Rd**

**Zoning District – Residential District A/ WPOD**

The applicant is requesting a variance from **Sections 406.2, 702 / Appendix A-1, 703, 616.6.4.2** to allow construction of an addition to the existing dwelling on 22-L-81 (29 W. Shore Rd), which is a pre-existing non-conforming lot with two frontages. The new plan incorporates 22-L-83 (27 W. Shore Rd), which will be voluntarily merged with 29 W. Shore Rd upon receiving all local and state approvals. Upon the merger, the owner would want to expand the single-family dwelling on 29 W. Shore Rd to allow the expansion in the area and/or volume of the house from 1,800 sf to 4,065 sf in area and from 32,400 cu/ft to 82,078 cu/ft in volume.

To allow the lot size of 24,820 sf where a minimum lot size of 50,000 sf is required with 130 ft of frontage, where 175 ft is required. To allow the new addition of the single-family dwelling to have a front yard setback from W. Shore Rd of approximately 16 ft from the ROW where 50 ft is required. The existing SFD has an 8 ft easterly side yard setback, where 30 ft is required, and a Canobie Lake shoreline setback of 32 ft, where 50 ft is required. The proposed swimming pool would also be placed 35 ft from Canobie Lake, where 50 ft is required and within the front setback. Under the Windham Zoning Ordinance, a pool or Accessory Building may not be in the front yard. The proposed addition will have a 31 ft setback from Canobie Lake, where 50 ft is required, a garage with a front setback of 20 ft, and a subsurface utility vault with a 16 ft front yard setback, both of which would require a 50 ft ROW setback. The proposal would result in a 46% impervious lot coverage, where a maximum of 30% is permitted in the Residential District A and Cobbetts Pond and Canobie Lake Watershed Protection District. A previous variance was granted (34-2019) for the above proposal, which is now expired.

**Case #19-2023      Parcel 21-Z-264**

**Applicant – Benchmark LLC**

**Owner – Steven J. DeLuca**

**Location – 6 Horne Road**

**Zoning District – Residential District A/ WPOD**

The applicant is requesting a variance from **Sections 406.2, 702/Appendix A-1** to allow the construction of a new addition and deck to a pre-existing, non-conforming, year-round, single-family dwelling, on a pre-existing, non-conforming lot. To allow the expansion in the area and/or volume of the house from approximately 3,485

sf to 4,180 sf in area, and 51,152 cu/ft to 59,912 cu/ft in volume, which is prohibited under the Windham Zoning Ordinance (WZO).

To allow approximately 400 sf of frontage on a private road, where 175 ft of frontage is required on a Class V Road, and to allow the addition to be 24 ft from the reference line of Cobbetts Pond. Where, under WZO a lakeside and rear yard setback of 50 ft is required. The proposed addition will result in less than 30% impervious area coverage for the lot, which is permitted under the WZO.
